|---|-----------|
| Adult Discussion | Laura P. |
| The kids' class is in the North end of the church | Pattie G. |

Announcements

A special welcome to our guests as well as our regular church family today. Please stay by after the sermon for cup of friendship, followed by a discussion group.

We have been invited by the Anacortes Senior Center to serve our community after potluck on June 4. This will be from 1:00 until 2:30 p.m. at the Senior Center moving some bark. Bring comfortable clothes, a shovel, and wheelbarrow if you have one. This is a great opportunity to be outdoors and show our community that we care. We need many to help, so that our time is shorter. We have a potential task force person visiting and Melissa is planning a hike on Guemes Trail AFTER the service project ends. **RSVP** Melissa or Jenny if you plan to come, since we need to assure that we have enough people to finish on time.

If you've been feeling the urge to become more actively involved in our fellowship, we are currently looking for someone who enjoys writing and would be willing to assist in AAF's communications and PR aspects. Also, we're looking for someone who would like to bring our Facebook page and our website back to life (no coding required!) and to update them with our current goings-on. If this appeals to you, please talk to Laura P. or Cecilia E.! Thank you

Save The Date - June 4th:

Anthony Lyder, a Walla Walla theology student, will be our special guest speaker, Sabbath June 4th. AAF is considering him to serve as a Task Force Worker with our congregation. We will be hosting Anthony and his wife Abby for that weekend. Please plan to attend to hear Anthony's sermon, join in our Potluck and enjoy a recreational activity afterwards. Your prayers for wisdom and guidance in this matter will be greatly appreciated.

Join Washington Conference singles for a day at Northwest Trek. Meet us at the gate this Sunday, May 29 @ 10:30 AM. Admission gives us access to the entire park, a tram tour, and parking. See www.nwtrek.org for details on cost and what to expect. Bring your camera and appropriate clothes for the weather.
